

## IDOT DIRECTORY OF CERTIFIED DISADVANTAGED BUSINESS ENTERPRISES

### Disclaimer Statement

Firms listed in this Illinois Department of Transportation (IDOT) DBE Directory have been certified as a Disadvantaged Business Enterprise (DBE) by IDOT under the Illinois Unified Certification Program (IL UCP), which makes them eligible to satisfy DBE goal credit for contracts funded by the United States Department of Transportation. The IL UCP participating agencies are: Illinois Department of Transportation, City of Chicago, Chicago Transit Authority, Metra and Pace. The criteria, standards and procedures by which these certification decisions are made can be obtained from the IL UCP certifying agencies.

The IDOT DBE Directory is to be used as an “information source only” and the following must be considered:

- Certification does not mean that a firm is in any way pre-qualified to provide the products and/or services the firm claims it can provide. “Certification” means that IDOT and the IL UCP have determined, on the basis of information provided and the representations therein, that a business is a bona fide DBE. IDOT or the IL UCP does not, as a result of this listing, make any representation concerning the ability of any listed firm to perform work in the specialty listed.
- IDOT and the IL UCP disclaim any and all responsibility concerning errors, omissions, or misrepresentations, which may be contained in this publication. It is the responsibility of all contractors proposing the use of certified firms on projects to:
  - a) Conduct their own investigation to determine the capability and capacity of DBE firms to satisfactorily perform the proposed work; and
  - b) Endure that all proposed DBE firms have a current DBE certification letter.

The IDOT DBE Directory lists the most current information for DBE firms certified by IDOT. If there are any questions concerning this directory, please contact IDOT/Office of Business and Workforce Diversity, Bureau of Small Business Enterprises, 2300 S. Dirksen Parkway, Room 319, Springfield, Illinois 62764, or call 217/782-5490.
